Trans-i Technologies Relocates Corporate Headquarters *Servicing the Transportation Community*

Fort Lauderdale, FLORIDA – Trans-i Technologies, Inc. is pleased to announce the relocation of its Corporate Headquarters to 888 East Las Olas Boulevard, Fort Lauderdale, FL 33301. The company will be conducting business at the new location effective December 15th, 2011.

"The move to larger, more efficient quarters will increase productivity and provide a better working environment for our associates", said Gregory Bellows, CEO of Trans-i. The Las Olas location will offer an excellent opportunity for growth.

For over 15th years, Trans-i has proven record of its continued commitment to delivering reliable, innovative and robust cutting edge technology. Trans-i's success and longevity is due in part to the advanced capabilities and continuous improvement of the suites developed. Thousands of people currently use TSI's software worldwide.

About Trans-i:
